

Growing your Garden **GREEN**

Learn how to Reduce, Reuse, Recycle, Repair
& Repurpose in the Garden

Saturday, November 2, 2013 from 9am—3pm
at the Cuyamaca Water Conservation Garden

- Meet a local artisan and learn how he creates **reclaimed wood planters**.
- Learn how to maintain and repair **garden tools** with an expert local repairman.
- Pick up helpful tips on how to **reduce food waste**, including composting.
- Discover **recycled products** for use in gardens including rubber mulch & pavers.
- Learn how to reuse and repurpose household items into garden tools, decorations, and other fun holiday items.
- **FREE** kids activities all day with drawings to win **free prizes** throughout the day.
- Bring a T-shirt to have it made into a **no-sew reusable bag** as you watch & learn.

Plantstravaganza! Features growers specializing in water-saving plants and experts to answer gardening and conservation questions throughout the day.

Admission: Free for Members & Kids 12 and under Free, \$2 for Non-Members. Free Parking.

With special thanks to the County of San Diego Department of Environmental Health, Spring Valley Lawn Mower Shop, SD Drums N Totes, San Diego Urban Corps, and the Water Conservation Garden.
